

## Nadie mas que Tu

Lyrics & Music Dan Adler

(Spanish)

Quién en este mundo, Cristo, es como  
Tu?

Y quién es como Tu en lo alto?

Quién se escondera de Tu presencia

Y que nos separa de Tu amor?

Quién no tengo principio ni final?

Quién es solo uno pero tres?

Dónde se encuentra tal amor

A dar Tu unico hijo por mi?

No hay nadie- maravilloso

Solo Tu Y nadie mas

Solo Tu alabamos

Adoramos a Tus pies

Santo Santo Santo Santo 3x

Nadie mas que Tu

No tender mos otros dioses!

Adoramos solo a Ti

Vivire mos para Ti!

Nadie mas que Tu!

## No one else but you

(English)

Who in all the earth o Lord is like you

Who is like you up in heaven above

Where could we hide from your holy  
presence

What can separate us from your love

Who else had no ending nor beginning

Who is somehow Three but only one

Where is found a love like yours so  
selfless

You sacrificed for us your only son

There is no one, so amazing

Only you and you alone

So it's You that we are praising,

Worshipping before your throne 2x

Holy holy holy holy 3x

No one else but you

We will have no gods before you

We will worship and adore you

We will live our lives just for you!

No one else but you!
