There's no one, There's no one like Jesus
There's no one, There's no one like Him
There's no one, There's no one like Jesus
There's no one, There's no one like Him

I've walked and walked all over, over
I've turned and turned all over, over
I've searched and searched all over, over
There's no one, There's no one like Him
